OLATHE PUBLIC SCHOOLS USD 233

Wireless Network Guide

DISTRICT WIRELESS NETWORKS

Not all networks are available in all buildings

- OPS233 - for district Windows/PC laptops
- OPS233 Staff - for personal devices and HS staff MacBooks
- OPS233 Student - for personal devices, HS MacBooks, & MS iPads
- OPS233 Guest Start Here - get your guest code here
- OPS233 Guest Continue Here - enter your guest code here
- OPS233 PPSK/iPad - for elementary district iPads

Welcome, janderson

Your Access Key: **Hne88f9aK9**
Expires: **No limit.**

Students and Staff

All staff and MS/HS students receive an access key via email to connect their personal and some district devices to the network.

WELCOME GUESTS!

- Select the **Guest Start Here** network (available in select locations).
- Enter your name, email, and full cell number with hyphens.
- You will receive your code via email or text.
- Select the **Guest Continue Here** network and enter your code **after** you receive the email and/or text to confirm access is active.
